Simmons

With more than 150 years of heritage, Simmons is the forerunner in technological innovations which include the Simmons® Original Pocketed Coils® with its signature Do-Not-Disturb benefit.

It delivers unsurpassed support, maximum conformability and greatly minimises motion transfer, allowing for an uninterrupted sleep.

As the world's leading premium mattress brand, Simmons is the preferred hospitality partner among world-renowned hoteliers.

Prestigious hoteliers around the world such as Shangri-La, Four Seasons and Marriott International select Simmons because they trust only the top name in sleep to provide the best sleep experience for their guests.

Simmons is committed to developing superior mattresses to promote a higher-quality sleep for consumers around the world.

With BeautySleep® Essential Series, you can advance your sleep with the luxury you've always aspired.

1870
Zalmon G. Simmons, Founder

Mr Simmons started the business with only US$2.50. A tenacious and entrepreneurial man, he relentlessly pursued the business of sleep.

1925
The First Pocket Coil

John Franklin Gail, Simmons' top engineer, designed a machine that inserted coil wire into fabric sleeves, giving birth to the unique Pocketed Coil® design. It formed the basis of the Simmons Beautyrest® mattress.

1995
The Bowling Ball Advertisement

We created the Bowling Ball Test to demonstrate our renowned Do-Not-Disturb benefit our most successful advertisement to date.

1958
A New Kind of Royalty

We introduced king and queen size mattresses - a first for the industry.

2005
The First Advanced Pocketed Coil

We debuted Beautyrest Black®, featuring our groundbreaking triple-wired Pocketed Coil®.

2024
Yet Another First

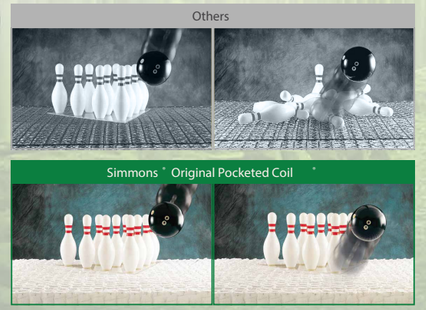
We unveiled the first Voice-Activated Pocketed Coil® Adjustable Bed for personalised sleep control.

Simmons® Original Pocketed Coil®

A Simmons hallmark since 1925, the Simmons® Original Pocketed Coil® continues to be the gold standard in providing undisturbed sleep with its unsurpassed motion separation technology for many rested sleepers all over the world.

Each Simmons® Original Pocketed Coil® is made with high tensile strength steel with optimum carbon.

These Pocketed Coils® serve as the heart of your mattress. It guarantees the structural integrity and stability that Simmons is known for.



With Pocketed Coil® springs providing unsurpassed motion separation, conformability, and durability, you're in for the sleep of your life.

Unsurpassed Motion Separation

Individual Pocketed Coil® springs work independently to provide quality undisturbed sleep.

Conformability

The spring system effectively and readily responds to different weights and contours for individualised comfort and support.

Durability

You can rest easy knowing that all Beautyrest® and BeautySleep® mattresses come with the Simmons guarantee on comfort and durability.
